

SOILS – FRANTZ FARMETTE

Primary Tillable Soils:

- BuB - Buchanan gravelly silt loam
- LaD – Laidig channery silt loam
- MuC – Murrill gravelly silt loam
- CbB – Clarksburg silt loam
- WvB – Wharton Variant silt loam

These soils are all good to very good in terms of agricultural crop production.

The boundary lines on the soils map are approximate. They are based on the survey of the farm.
